

## **Global Market and Investment Solutions (GMIS)**

*Cập nhật: 31-03-2011*

With Vietnam's open economic system, GMIS has the ability to link investment, markets and foreign office representative opportunities to build investors' confidence and encourage investment in and out of Vietnam. GMIS is associated with numerous investment opportunities and also conducts seminars to introduce investors to business representatives.

Services to be offered are listed below but are not limited to the following.

- Business Matching
- Export promotion and general import & export of products
- Foreign office representation services and Contact offices and Virtual offices for lease
- Real estate broker and Tenant representation
- Investment brokerage and advisory services
