

Global Events and Publicity Solutions (GEPS)

Cập nhật: 29-03-2011

GEPS provides planning, development, and implementation of international events in and out of Vietnam. GEPS provides a Vietnam based expatriates and Vietnamese business community gala to promote marketing, media, and network solutions and opportunities. We make corporate brands reputably known. Public and private entrepreneurs from different sectors are invited. Business activities and achievements can be highlighted and presented in a professional way allowing for networking, communication, and connections to be made across different businesses.

Some of the services provided by GEPS:

- International events
- Business gatherings
- Corporate Identity designing and decoration service
- Crisis management
- Public relations and legal lobbying services
