

Yersin University of Dalat cooperates with G-BI Inc.

Cập nhật: 02-03-2011

On 21th Feb, 2011 Yersin University worked with G-BI Inc.(Hanoi) and signed an agreement on the student project “Transferring Work Experience and Effective Working Methods to students”.

This is an advanced program to equip students with practical working knowledge and life skills before graduating.

Yersin University of Dalat co-operates with G-BI Inc.

COOPERATION PROGRAM

BETWEEN YERSIN UNIVERSITY & G-BI INTERNATIONAL KNOWLEDGE MANAGEMEN JSC.

Benefits for students:

- Real work experience and skills for each particular department in a company are transferred
- Develop student potentials
- Students get to practice their skills in relevant firm during the course (optional)
- Career consulting

Teaching staff includes Vietnamese and foreign lecturers, experts and enterprise managers.

Participants: university or college students and newly graduated bachelors

Certificate: International and local certificate.

Yersin’s students are allowed to register for the course at the beginning of March, 2011. Expectedly, the course starts in the first week of April, 2011.

The course content will be informed to students.

Yersin University (Dalat) was signed by Vietnamese Prime Minister as the Decision No. 175/2004/QĐ-TTG to establish on Oct 1st, 2004.

Yersin University Dalat is the first non-state educational institute in the Central Highlands of Vietnam. With more than six years of operation, the number of students has increased from 100 students for 1st course (2004-2004) to 4,200 students at present studying in 8 majors: Business Administration, Architecture, Informative Technology, Environmental Science, Biological Technology, Nursing, Tourism, English, Industrial Art. More than 600 students are studying in the Secondary school of the University. Teaching and learning equipment and facilities meet the requirements of an official and modern university.
