

Tien Giang University and G-BI collaborate for training projects

Cập nhật: 26-09-2011

On the 11th August 2011, G-BI Management and Tien Giang University Board of Directors have signed an Agreement to implement International Student Project “Transferring Work Experience and Effective Working Methods in Business”.

Participate in this project, students at Tien Giang University get to work with experienced Managers/Directors for 3.5 months in 13 practice modules through specific demos related to the different departments; learning their functions and how they work.

Tien Giang University was established follow the Decision 132/2005/QĐ-TTg dated 6th Jun 2005 of the Prime Minister of Viet Nam, this based on the merger of Tien Giang Teaching College and Tien Giang Community College. Currently the University provides 52 different training programs. In that, 16 University programs (08 regular programs and 08 programs for working students); 22 college level programs; 14 Intermediate Professional programs for about 5,000 students.
