

Closing ceremony for the completion of project “Transferring Work Experience and Effective Working Methods in Business” class 1 at Yersin University Da Lat

Cập nhật: 04-01-2012

The International Student project “Transferring Work Experience and Effective Working Methods in Business” class 1 was successfully completed at Yersin University Da Lat. On the 12 November 2011, the closing ceremony was the celebration for the achievement of participated students; management from G-BI, the University board of Directors and all the students of this project were joined. Leaving great impressions, class 2 is anticipated to start in the near future.
