

## Seminar “Promote the best ability and intelligence of students”

*Cập nhật: 15-06-2012*

In the evening of 11 May 2012, Dong Thap University cooperated with G-BI International Knowledge Management JSC to organize successfully seminar “**Ability and intelligence of Vietnamese students**” with enthusiastic attendance of 1,500 Dong Thap students.

With a desire to help the youth of Vietnam have a positive awareness of their roles in controlling knowledge, affirming ability and intelligence of their own to contribute to the development of the country. MA Nguyễn Mai Chinh – Deputy General Director of G-BI stirred the hearts of thousands of younger generation toward positive thoughts and passions for success. As a very devoted person to bringing development and improving knowledge, she gave the students practical and useful knowledge, help them explore and develop maximum inside latent ability in each person. The Seminar was held successfully with positive feedback from students and high appreciation of teachers and university leaders.
