

Professional Training, Job Vacancies and EXIM Opportunities in Canada

Cập nhật: 16-10-2012

With advantage of abundant labor market but lack of professional working skills, having a good paid job in Vietnam in the difficult time is not easy. These particular reasons, at the beginning of Oct 2012, brought Mr. Tau Do, one of the Directors of 17th Ave Travel Express Inc from Canada to Ha Noi to look for a reliable and capable partner to cooperate in terms of three areas: Professional training, supply of manpower, and commercial services for clients in Canada.

After thorough discussions and research, on the 3rd October 2012 Mr. Tao Do has officially selected G-BI as a Business Associate in Vietnam to work on behalf of 17th Ave Travel Express Inc to recruit candidates for particular professional training programs, manpower for beef processing industry, and look for import and export business opportunities between Vietnam and Canada.

All candidates who passed the 1st round of interviews in Vietnam shall be interviewed directly by partners from Canada
